

MORSELIFE
ANNUAL GIVING SOCIETY
2025/2026

If not for MorseLife, who would
take care of our community's
seniors with the ***DIGNITY*** and
HONOR they deserve?

If not us, then who?

MORSELIFE is a ***LIFELINE*** for **SENIORS**.

When you join MorseLife's Annual Giving Society, **you are part of that lifeline**. Your generosity ensures that elders in our local community have what they need to live with dignity.

Each year, we deliver \$10 million in free healthcare and supportive services to elderly people in need, all with excellence and compassion. From care management, home care, transportation to and from medical appointments and home-delivered meals, to housekeeping assistance and recreational opportunities, MorseLife helps thousands of people age in place, with safety, comfort and connection. **Annual Giving Society members are the lifeline who make this possible.**

To **celebrate your philanthropy** to MorseLife, you are invited to several exclusive events during the Palm Beach season. We hope to see you there!

Please ***RENEW YOUR MEMBERSHIP***
or **JOIN TODAY**.

MORSELIFE APART

**AWARDS AND
ACCREDITATIONS**

A CHAMPION OF EXCELLENCE: MorseLife Continues to Raise the Bar in Senior Healthcare

MorseLife consistently receives and maintains some of the most prestigious awards and recognition in our field. We work tirelessly to ensure that we have success in all pillars within our organization – upholding our mission, accomplishing our goals, staying ahead of the curve, having employee satisfaction and retention, maintaining efficient operations, and above all, providing exemplary service to the seniors in our care. While some of these awards specifically honor a certain aspect of our organization, they each reflect the outstanding work taking place across our entire continuum of care.

5 Star Rated by Centers for Medicare & Medicaid Services: MorseLife has achieved the highest possible rating indicating excellent quality of care and performance on both a national and state level.

Governor's Gold Seal Award for Long-Term Care Excellence: This prestigious award is presented to only 1 percent of over 700 nursing homes in Florida. MorseLife has maintained this recognition for the past 17 years.

Joint Commission Accreditation: MorseLife has maintained this recognition since 2018. It signifies that a healthcare organization has met rigorous, nationally recognized standards for quality and safety in patient care. It indicates our commitment to providing high-quality, safe and effective care, and is a nationally recognized symbol of quality.

Best Nursing Home by US News & World Report: For over 10 years, MorseLife has received this distinction as a top-performing nursing home in areas like short-term rehabilitation and long-term care.

Best Senior Living by US News & World Report: This distinction signifies MorseLife has met rigorous, data-driven standards and earned high ratings based on consumer feedback. We are recognized for our overall excellence in independent living, assisted living, memory care and continuing care retirement.

RECOGNITION OF EXCELLENCE

Our MorseLife Team Makes This All Possible. We would not be able to achieve these awards without the time, commitment, dedication and passion we receive from our incredible staff on a daily basis. Having the above recognition is a testament to the hard-working team we employ at MorseLife. We are honored to have received the following awards: Best Place to Work by South Florida Business Journal, Great Place to Work, and Fortune Best Workplaces in Aging Services.

MORSELIFE is
a **LIFELINE** for **SENIORS**
and YOU are a part
of that lifeline.

BECAUSE OF YOU

Your membership in MorseLife's Annual Giving Society matters so much to 3,600 elderly people in our community, each and every day.

▼ Indigent and home-bound elders receive well-balanced, nutritious meals delivered to their homes every week through our MorseLife Meals-on-Wheels Program. We deliver close to 50,000 meals annually, including Jewish holiday meals to about 5,000 homebound seniors.

▼ We recently opened our 5th PACE (Program of All-Inclusive Care for the Elderly), expanding our services into Martin County, allowing low-income seniors to stay in their own homes and still receive the highest quality of services and care.

▼ We are the ONLY Jewish Hospice Program in the State also offering palliative care. MorseLife has been awarded the ability to expand and provide services throughout Palm Beach County.

▼ Over 600,000 hours of highly-subsidized home healthcare are provided each year through MorseLife Home Healthcare.

▼ With your support, we are able to offer Parkinsons-therapy to clients both on- and off-campus, equating to almost 6,000 sessions per year.

▼ MorseLife is the only senior care organization in the State of Florida to offer cannabis-based treatments. We have received global recognition for our steadfast commitment to staying on the cutting-edge of innovation and care.

▼ With our NOW for Holocaust Survivors Initiative, MorseLife cares for many indigent Holocaust survivors and their families by providing home care, medical management, nutritious meals and meeting their most basic needs.

▼ Through our Holocaust Learning Experience (HLE), we actively support more than 1,000 teachers and engage over 175,000 students across 60+ school districts in seven states. The HLE equips students in grades 5-12 and beyond with the tools to build courage, resilience, and human dignity through the lens of history.

▼ Because of you, we offer Nursing Education Scholarships and programs in the underserved western communities such as Belle Glade. MorseLife is the ONLY Teaching Nursing Home in Florida.

▼ Elder adults of all socio-economic backgrounds receive counseling, guidance and referral services through our MorseLife Care Management program.

We cannot do this without the help from donors like you!

MISSION

MorseLife, with a four-decade history, is a pioneering force in end-of-life care and is reshaping the standard of excellence for patients, family members and referral sources. MorseLife stands apart, offering an innovative and intricately designed continuum of care to elevate the patient experience and alleviate the burden on families. At MorseLife, we transcend the conventional narrative while embracing life-enriching programs and therapies.

WHAT MAKES US DIFFERENT

▼ **Granting Wishes** is one of the latest and most special services we provide to those in our care. We recently sent one of our patients, along with her family, to Disney for a family vacation wish.

▼ **Mitzvah Sensory Care Program** enhances the quality of life for our patients by creating a soothing environment through sensory techniques such as compassionate massage touch, music and sounds of nature, and scents associated with meaningful memories.

▼ **Cherishing Life's Journey** program helps patients honor their lives by preserving memories to give joy and lasting comfort to them and their families. Transcribing and recording a patient's life journey is accomplished by many mediums. Some of these include: My Storypod to capture stories and traditions, My Music to create a personal music timeline and My Autobiography using words and photos.

▼ **Serenity Engage** mobile app allows a patient to communicate easily with their care team whenever they or their loved one need up-to-date information, so both can feel calm and comfortable.

▼ **Family Care and Services** strive to meet families where they are, engaging them in a deep conversation about what they would like end-of-life care to look and feel like, and then developing and executing a care plan that meets the family's needs.

▼ **A Teaching Facility** that integrates an academic approach into our Hospice and Palliative Care program with community lectures, symposia and education about Hospice which helps patients and families better understand the program and philosophy.

DID YOU KNOW?

In addition to donating directly to our program, you can also donate to **MorseLife's Nearly New Shop**, located in West Palm Beach. All proceeds benefit seniors served by MorseLife Health System. Located on Antique Row at 3611 S. Dixie Highway; West Palm Beach, FL 33405 | 561.782.4014

BREAKING NEWS at MORSELIFE

HOLOCAUST LEARNING EXPERIENCE

Hate Spreads at the Speed of a Click.
EDUCATION MUST MOVE FASTER.

The Holocaust Learning Experience (HLE) is redefining what it means to educate in a time of rising hate and division, when moral clarity is more urgent than ever. Endorsed by the State of Florida and embraced by educators across the country, HLE is a powerful, anti-bias, cross-cultural learning platform that equips students in grades 5–12 and beyond with the tools to build courage, resilience and human dignity through the lens of history.

Now in its second academic year, the Holocaust Learning Experience will actively support more than 1,000 teachers and engage over 175,000 students across 60+ school districts in seven states. This powerful multimedia program is transforming classrooms into spaces of reflection, empathy and action. Teachers describe it as “a gift” — a turnkey platform that is deeply relevant, immediately accessible and remarkably easy to implement.

WHAT MAKES THE HLE SO IMPACTFUL?

▼ **Purpose-Driven Design:** 40 multimedia lessons created by award-winning Holocaust educators; each includes a survivor’s testimony, a short documentary and a comprehensive teacher’s guide.

Student-Centered Impact - After just one lesson:

▼ **92%** of students say they are **more open to peers who are different from them**

▼ **91%** show **increased empathy**; able to put themselves in others' shoes

▼ **85%** are **more willing to intervene** when they see bullying or hear hate language

▼ **Classroom-Ready and Scalable:** Delivered via a digital learning management system, with content available in five languages and adaptable for diverse classrooms and communities.

▼ **Legacy Meets Urgency:** The HLE does more than preserve memory. It provides a remedy for indifference and a response to hate, helping today’s students become tomorrow’s upstanders. Join us in shaping the future!

**“This program didn’t just teach me history—
it taught me how to be a better human being.”**

— 8th Grade Student, Florida
